### Feedback Obtained

It is an opportunity to share things out in open. Our college collects feedback from the undergraduate and post graduate students. Moreover, the regular feedback can prevent differences of opinion from happening in prior. Feedbacks are basically collected as the basis of improvement. We follow this process of creating protocols to ensure the groundbreaking ideas and knowledge about the leading teaching platform, infrastructure, office, canteen, laboratory, library, administration. The feedback students can grade according to the juncture. Our college collects feedback from parents during the parent Teacher meet. We take suggestions and comments to improve our institution which is given by our parents. The performance of all teaching faculty is appraised at the end of the semester. Self- appraisal paves for two-way communication between the employer and employee. Our college gives a clear picture of employees and evaluation of one's own strengths and weakness. Our principal assesses these with all the faculty members to lift the achieve of the teaching and motivates them to look at the specific areas where to climb to achieve more. The beads analyses with the department and with other faculty about their classroom teaching, to build interpersonal relationship. "Counting down days until the work is done" our college fills all the gaps wherever necessary. The proposal given by the various committees were discussed in the college academic meeting to take necessary steps and actions. Our college board members take essential steps and implement the suggestions to build the welfare of the students. Feedback from parents is collected department wise is during parents-teachers meet at the end of every semester. Every August 15th, Alumni meet is organized and they shared their working experience, industry experience with our students .also we collect the suggestions and feedback to uplift the growth of the students which helps in improving the current and future actions and behaviors.
