6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

With the background of educational service of which the TEAM Trust can well be proud of and with the enthusiasm, cooperation of several donors and well wishers the institution has made all round progress.

Situated on a vast campus measuring 17.05 acresof land & with a built up area of over 1,80,000 sq.ft within a mile from the seashore in Jyothi Nagar,Oggiyam Thoraipakkam along the Old Mahabalipuram Road (OMR) the now famous I.T. Highway, the place is surrounded by Industrial houses close to the Instronic Campus – leaders in Information Technology; and Tidel Park.

Our mission is to instill an everlasting urge in the students to learn and think clearly and objectively; to develop energy and vitality in them and to perform effectively; to bring peace and prosperity in the society.

Our vision is transformation of human mind and creation of a new culture that has a patience for rules, laws, code of conduct, morel values, natural courtesies and human dignity.

Life is a constant process of teaching and learning, so much emphasis is laid on the quality of education being imparted, the quality that shapes, persuades and patterns a persons a total human being vibrant with honesty, sincerity and truthfulness and is thus established in goodness both outwardly and inwardly.

To create a powerful army of youth, knowledgeable, sensitive to nature, proactive with a spirit of adventure, scientific temper and a deep inner craving for structuring a Globe of concord and harmony.

6.2 Does the Institution has a management Information System

- Yes-, the college is kept up to date with of all the relevant information.

- The reports of all the departments and the various committees are submitted to the Principal, who then presents it to the Management.

- Institution student database and marks information system,accounting system,scholarship system are computerized..

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The college aims to inculcate the highest intellectual standards through rigorous academic commitment and discipline. Students are inspired to aspire to higher level of academic achievement by mastering the subjects they have chosen to study. These are in tune with the goals and objectives of the institution which are made available to its stakeholders through the college website and the college calendar.

Curriculum restructuring is a continuous process. While restructuring feedback from all stakeholders are analysed and appropriate actions are taken for improvement. Through consultations with academic and industry experts, curriculum and relevance of the programmes are ensured. Multiskill development programmes help in employability.

Training through internship, projectwork, Career Oriented Programmes and participation in various society activities help to develop leadership skill and competence.

After every semester, the academic audit of each department is conducted by the respective Board of Studies (BOS) and the overall audit of the college is done by the Academic Council. At the end of three years, with feedback from stakeholders and the experience gained during the three years, the BOS of every department undertakes a thorough revision of the syllabi to make it contemporary and more relevant. The college ensures participation of all students in extra and co-curricular activities
through NSS, NCC, Sports, various cultural and departmental societies and Extension Programmes.

6.3.2 Teaching and Learning

The college stands committed to make teaching and learning "Student Centric" which makes the students to think, analyze, be independent, original and creative. Students from diverse backgrounds and abilities are admitted. Their individual needs are properly addressed. The College ensures the competency of staff and helps the faculty to develop continuously. It promotes social awareness among students leading to commitment and action, and ensures a just and scientific evaluation process.

The admission process, complying with all the government norms pertaining to religious minority institutions, is online and transparent. The college admits students of different backgrounds and with varying abilities – rich and poor, urban and rural, SC, ST, Minority and differently abled students. There is no gender discrimination.

Special considerations are given to the financially weak and disadvantaged students through fee concessions/scholarships, free hostel accommodation and free text books from the book bank. Infrastructural facilities like ramps, lifts, and wheel chairs are provided to the differently abled students.

The teaching-learning process being student centric, the curriculum endeavours to integrate knowledge with skill which will sustain an environment of learning and creativity.

Learning methods encourage students' participation through project work, microteaching, internship, guided library work, training in relevant softwares and e-learning. Teaching innovations through modern teaching aids and ICT facilities make the learning process more student-friendly.

The faculty is recruited through a rigorous selection process in accordance with the directives of the State Government for minority institutions. Beside from sanctioned substantive posts, the college recruits additional faculty under management posts for both aided and self-financing courses. 25% of the faculty have PhD and 40% have got qualification approval from university of madras and 10% qualified in NET/SLET/GATE. The faculty is highly competent and dedicated.

6.3.3 Examination and Evaluation

Evaluation processes are clearly communicated to the newly admitted students.

There is a system of internal and external evaluation. Redressal mechanism in the form of review of the answer script by a third examiner (if the candidate desires) ensures just and fair evaluation.

The answer scripts are coded to keep the identity of the students confidential. The marking scheme is made jointly by the external and internal examiners for uniformity in evaluation.

There is a provision for the students to see their answer scripts. Assessment (CIA) in its various components.

Identification of slow and advanced learners is made by the faculty on the basis of classroom interactions.

Remedial and tutorial classes are arranged for slow and differently – abled learners. Advanced learners are encouraged to undertake research, present papers in seminars and conferences, and attend research institutes during summer recess for projects.

From the feedback obtained from the various stakeholders and the experience of the faculty, the Boards of Studies of different departments restructure and update the syllabi every three years so as to make it contemporary and relevant.

6.3.4 Research and Development

The college plays a very proactive role for promoting this culture. The faculty is encouraged to pursue and complete doctoral and post doctoral work for which they are granted study leave with full pay. The faculty is recognized and rewarded during the Convocation function on completion of their PhD.

A Central Research Facility has been set up in the college to assist research activities. There is budgetary allocation for the above. The Principal has been very supportive and generous in this regard. Seed money as adjustable advance is provided to initiate research projects. The faculty is granted special leave for attending conferences to present papers. The library is equipped with a large number of research journals for the faculty. Both PG and UG students participate in research programmes in various research institutes and organisations.The institute encourages research projects and publications by the faculty.

7. <u>Innovations and Best Practices</u>

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The quality of the basic courses is improved after every three years when a thorough revision of the syllabus is undertaken by the BOS on the basis of the experience gained from the previous three years.The Curriculum Restructuring Committee is tasked with preparing a modern format of the curriculum with emphasis on research orientation and employability.

The college has introduced five certificate courses and two diploma courses under Career Oriented Programmes for value addition.

The career opportunities of the students are enhanced through internship, projects, participation in national and international seminars, development of leadership qualities through social activities, soft skill training, EDC activities and Career Oriented Programmes. The institution ensures the quality of its administration through decentralization and participation of all stakeholders in major policy decisions. The administration is transparent with clear delegation of duties and responsibilities. Fellowship gathering of

staff, students and administration promote an ambiance of oneness. This ensures quality management in all academic and administrative aspects.

Inclusive practices of the institution to impart holistic education are inherent in the system. The institution is completely secular in character. Students belong to every social class, community and linguistic groups. They are trained to become men and women of competence, commitment, compassion and conscience. Equity and access in availability, special attention to the weaker sections and representation of women in all aspects ensure promotion of social justice.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The entire campus is a 'No Smoking' and 'No Plastic'.zone.

7.5 Whether environmental audit was conducted?   Yes ☐   No ☑

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The various functions of the College as presented in the seven criteria are:
☐☐Quest for excellence – emphasis on quality education
☐☐Contributing to national development by forming men and women for others
☐☐Fostering and rewarding research
☐☐Fostering global competency among students
☐☐Promoting the use of technologies
☐☐Inculcating a value system among students
☐☐Promotion of a transparent and participatory governance
☐☐Ongoing promotion of new innovative practices to make the institution

relevant in its mission as an agent of social transformation.

The main problems are: 1) Space Crunch 2) Recruitment.

With the increase in the number of departments, staff and students, the campus is proving to be specially insufficient for the introduction of more and newer courses.
