

Department of Commerce (General) – Special Session 2025

Theme - Excellence in Action: Turning Challenges into Triumphs

The Department of Commerce (General), Dhanraj Baid Jain College (Autonomous), organized a special professional talk on “Excellence in Action: Turning Challenges into Triumphs” on Thursday, 14th August 2025, at 10:00 AM in Room No. 21 Smart Classroom.

The session was blessed with the encouragement and vision of our respected leaders **Dr. C. Sundar (Principal)**, whose support continues to strengthen the department’s academic endeavors.

The distinguished guest for the day was **Mr. Balakumar Elangovan, Senior Executive, HCL Technologies, and a proud alumnus of DBJC**. His presence brought immense pride to the department, as he stands as a shining example of how determination and hard work can transform challenges into pathways of success.

In his inspiring talk, Mr. Elangovan shared his journey from being a commerce graduate of DBJC to becoming a successful professional in the corporate sector. He emphasized that **challenges are not roadblocks but stepping stones** when faced with the right mindset. Drawing from his professional experiences, he highlighted the importance of adaptability, resilience, and continuous learning in today’s fast-evolving business environment.

He also reminded students that excellence is not achieved overnight but cultivated through discipline, humility, and consistent effort. With practical insights, he encouraged learners to see failures as opportunities for growth, stressing that the ability to “bounce back” defines true success. His words connected deeply with the young audience, bridging theory and practice in a way that resonated with their academic and personal aspirations.

Beyond professional lessons, Mr. Elangovan also spoke about the **values and ethics he carried forward from his time at DBJC**, noting how the institution shaped not only his knowledge but also his character. He urged students to take pride in their college, contribute meaningfully to society, and dream big without fear of setbacks.

The session concluded with an interactive Q&A, where students posed thoughtful questions on career growth, work-life balance, and adapting to global corporate cultures. Mr. Elangovan’s practical answers and motivational tone left a lasting impression on the gathering.

Overall, the event stood as a **testament to the department’s commitment to holistic learning**, where alumni success stories inspire current students to aim higher and believe in themselves. The talk reinforced the message that with courage, focus, and perseverance, every challenge can be turned into a triumph.
